

Parents of Special Needs Education Children

IPAD FOR DYS STUDENTS

Your child has difficulties in class?
You think they might be dyslexic or dyspraxic?
Will an iPad or a laptop help them to reach their
potential?

Save time and contact Magali Netrval
at Dyspraxie.lu
quoting reference ESL.

We'll explain the DYS difficulties, the special
arrangements that are authorised in the european
schools and what to do next.
